Warranty

Strait-Flex warrants its tools against defects in material and workmanship for a period of three years from the date of purchase. Strait-Flex International, Inc. will replace with a comparable or superior unit, providing it is returned to Strait-Flex with date of purchase and transportation charges prepaid.

Storage

Store in a heated area to protect compound from freezing.

Endorsements

Strait-Flex products are endorsed by the IUPAT (International Union of Painters and Allied Trades) of North America. Strait-Flex products are used in their day-to-day training curriculums.
